Uniform Summary of Benefits and Coverage (SBC)

The uniform Summary of Benefits and Coverage (SBC) provision of the Affordable Care Act requires all insurers and group health plans to provide consumers with an SBC to describe key plan features, including limitations and exclusions, in a mandated format. The provision also requires that consumers have access to a uniform glossary of terms commonly used in health care coverage. The PEBC SBCs are available online at pebcinfo.com. You can view the glossary at healthcare.gov/SBC-glossary. To request a copy of these documents free of charge, call the SBC Hotline at 1-855-756-4448.

Genetic Information Nondiscrimination Act of 2008

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits group health plans and health insurance issuers from discriminating based on

genetic information. In compliance with GINA, the PEBC Health Plans do not discriminate in individual eligibility, benefits or premiums based on any health factor (including genetic information). The PEBC Health Plans are prohibited from using or disclosing genetic information for underwriting purposes, and will not use or disclose any of your Protected Health Information which contains genetic information for underwriting purposes.

Medical Plan Opt Out of Certain Provisions of the Public Health Service (PHS) Act

Group health plans sponsored by state and local government employers must generally comply with federal law requirements in Title XXVII of the Public Health Service Act. However, these employers are permitted to elect to exempt a plan from the requirements listed below for any part of the plan that is “self-funded” by the employer, rather than provided through a health insurance policy. Each of the employer groups participating in the Public Employee Benefits Cooperative of North Texas (PEBC) has elected to exempt the PPO Plan and the High Deductible Plan (HDP) from such requirements.

1 Standards related to benefits for mothers and newborns

Protection against limiting stays in connection with the birth of a child to less than 48 hours for a vaginal delivery and 96 hours for a cesarean section. (Newborn and Mother’s Health Protection Act)

2 Parity in the application of certain limits to mental health benefits

Protection against having benefits for mental health and substance abuse disorders be subject to more restrictions than apply to medical and surgical benefits covered by the plan.

3 Required coverage for reconstructive surgery following mastectomies

Certain requirements to provide benefits for breast reconstruction after a mastectomy. (Women’s Health & Cancer Rights Act [WHCRA])

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (“WHCRA”). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

4 Coverage of dependent students on medically necessary leave of absence

Continued coverage for up to one year for a dependent child who is covered as a dependent under the plan solely based on student status, who takes a medically necessary leave of absence from a postsecondary educational institution. (Michelle's Law)

The exemption from these federal requirements will be in effect for the 2022 plan year, beginning Jan. 1, 2022, and ending Dec. 31, 2022. The exemption may be renewed for subsequent plan years. Please note that PEBC employer groups currently voluntarily provide coverage that substantially complies with the requirements of the Newborn and Mother's Protection Act and the WHCRA.

Medicare Part D Notice of Creditable Coverage

Important notice from your employer about your prescription drug coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage offered through your Employer's group benefit plans and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to keep only your Employer's group coverage, join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan. At the end of this notice is information about where you can get help to make decisions about your prescription drug coverage.

You are receiving this notice because you may be enrolled in a health insurance plan offered by your Employer through your Employer's participation in the Public Employee Benefits Cooperative (PEBC). This notice applies to the self-funded PPO Plan and the self-funded High Deductible Plan (HDP), collectively referred to as "the PEBC Plan(s)."

1 Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2 The prescription drug coverage provided by the PEBC Plans has been examined by consulting actuaries and is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage will pay and is therefore considered Creditable Coverage.

Because your existing PEBC Plan coverage is, on average, at least as good as standard Medicare prescription drug coverage, you can keep your PEBC Plan coverage and not pay extra if you later decide to enroll in Medicare prescription drug coverage.

Individuals can enroll in a Medicare prescription drug plan when they first become eligible for Medicare and each year from Oct. 15 through Dec. 7. This may mean that you may have to wait to join a Medicare drug plan and that you may pay a higher premium (a penalty) as long as you have Medicare prescription drug coverage. However, if you lose creditable prescription drug coverage through no fault of your own, you will be eligible for a 60-day Special Enrollment Period (SEP) to join a Part D plan because you lost creditable coverage. In addition, if you lose or decide to leave your employer's sponsored coverage, you will be eligible to join a Part D plan at that time using an Employer Group Special Enrollment Period. You should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area.

If you decide to join a Medicare drug plan, your PEBC Plan coverage will not be affected. However, if you drop your PEBC Plan coverage, you and your dependents may not be able to get your PEBC Plan coverage back. If you are retired and join a Medicare drug plan, that coverage is primary and your PEBC Plan coverage is secondary.

You should also know that if you drop or lose your PEBC Plan coverage, and you don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly premium may go up by at least 1% of the base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without creditable coverage, your premium may consistently be at least 19% higher than the base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to enroll.

You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if PEBC Plan prescription drug coverage changes. You also may request a copy from your Employer.

More information about your options under Medicare prescription drug coverage

More information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [medicare.gov](https://www.medicare.gov).
- Call your State Health Insurance Assistance Program for personalized help. In Texas, that number is **1-800-252-9240**.
- Refer to your copy of the "Medicare & You" handbook for additional State Health Insurance Program telephone numbers.
- Call **1-800-MEDICARE (1-800-633-4227)**. TTY users should call **1-877-486-2048**.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [socialsecurity.gov](https://www.socialsecurity.gov), or call them at **1-800-772-1213 (TTY 1-800-325-0778)**.

KEEP THIS CREDITABLE COVERAGE NOTICE

If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and whether or not you are required to pay a higher premium (a penalty).

PEBC Health Plans Notice

Medicaid and the Children's Health Insurance Program (CHIP) offer free or low-cost health coverage to children and families

Premium assistance under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [healthcare.gov](https://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed on the following pages, you can contact your state Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your state Medicaid or CHIP office or dial **1-877-KIDS NOW** or visit [insurekidsnow.gov](https://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer's plan, your employer must allow you to enroll in your employer's plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [askebsa.dol.gov](https://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of Jan. 31, 2021. Contact your State for more information on eligibility.

PEBC Privacy Notice

Privacy of your information NOTICE OF PRIVACY PRACTICES PEBC Group Health Plans

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Effective date of notice: Sept. 23, 2013

The “Plan” as described below refers to all PEBC group health plans, including the High Deductible Medical Plan (HDP), EPO Medical Plan, PPO Medical Plan, PEBC Dental Plan, PEBC Vision Plan and Health Care Spending Accounts (both general and limited purpose) if offered by your Employer. “You” or “yours” refers to individual participants in the Plan. If you are covered by a PEBC dental HMO plan, you will receive a separate notice from that HMO.

Throughout this document are references to the “Plan” and its administration. With regard to health plans offered on a fully insured basis (e.g., dental HMO and vision), information received from the “Plan” will generally be coming from the insurer on behalf of the Plan. For self-funded plans, “Plan” administration includes your Employer’s own internal administration of the Plan, as well as PEBC and other administration activities.

Use and disclosure of protected health information

The Plan is required by federal law to protect the privacy of your individual health information (referred to in this Notice as “Protected Health Information”). The Plan is also required to provide you with this Notice regarding policies and procedures regarding your Protected Health Information, and to abide by the terms of this Notice, as it may be updated from time to time.

Under applicable law, the Plan is permitted to make certain types of uses and disclosures of your Protected Health Information, without your authorization, for treatment, payment and health care operations purposes.

For **treatment** purposes, routine use and disclosure may include providing, coordinating or managing health care and related services by one or more of your providers, such as when your primary care physician consults with a specialist regarding your condition.

For **payment** purposes, use and disclosure of your information may take place to determine responsibility for coverage and benefits, such as when the Plan checks with other health plans to resolve a coordination of benefits issue. The Plan also may use your Protected Health Information for other payment-related purposes, such as to assist in making plan eligibility and coverage determinations, or for utilization review activities. Payment purposes may also include, but are not limited to, billing, claims management, subrogation, reviews for medical necessity, utilization review and pre-authorizations.

For health care **operations** purposes, use and disclosure may take place in a number of ways involving plan administration, including for quality assessment and improvement, vendor review, and underwriting activities. Your information could be used, for example, to assist in the evaluation of one or more vendors who support the Plan, or our vendors may contact you to provide reminders or information about treatment alternatives or other health-related benefits and services available under the Plan. Health care operations may also include, but are not limited to, disease management, case management, legal reviews, handling appeals and grievances, plan or claims audits, fraud and abuse compliance programs, and other general administrative activities.

The Plans covered by this Notice may share Protected Health Information with each other as necessary to carry out treatment, payment or health care operations. For example, your requests for claim payment may automatically be sent from a PEBC Medical Plan to the Health Care Spending Account Plan in order to simplify and accelerate claims payment.

The Plans may contract with individuals or entities known as Business Associates to perform various functions on the Plans’ behalf or to provide certain types of services. In order to perform these functions or to provide these services, Business Associates will receive, create, maintain, use and/or disclose your Protected Health Information. For example, we may disclose your Protected Health Information to a Business Associate to administer claims or to provide support services, such as utilization management, pharmacy benefit management or subrogation, but only after the Business Associate enters into a Business Associate Agreement with us. The Business Associate Agreement obligates each Business Associate to protect the privacy of your information, and Business Associates are not allowed to use or disclose any information other than as specified in our contract for services.

The Plan may disclose your Protected Health Information to the Employer that sponsors this Plan and to the PEBC in connection with these activities. The Plan does not use or disclose your Protected Health Information for employment-related actions, such as hiring or termination, or for any other purposes not authorized by the HIPAA privacy regulations. If you are covered under an insured health plan, such as a dental HMO, the insurer also may disclose Protected Health Information to the Employer that sponsors the Plan and to the PEBC in connection with payment, treatment or health care operations.

The Plan is prohibited from using or disclosing genetic information for underwriting purposes, and will not use or disclose any of your Protected Health Information which contains genetic information for underwriting purposes.

In addition, the Plan may use or disclose your Protected Health Information without your authorization under conditions specified in federal regulations, including:

- As required by law, provided the use or disclosure complies with and is limited to the relevant requirements of such law;
- For public health activities;
- To an appropriate government authority regarding victims of abuse, neglect or domestic violence;
- To a health oversight agency for oversight activities authorized by law;
- In connection with judicial and administrative proceedings;
- To a law enforcement official for law enforcement purposes;
- To a coroner or medical examiner;
- To cadaveric organ, eye or tissue donation programs;
- For research purposes, as long as certain privacy-related standards are satisfied;
- To avert a serious threat to health or safety;
- For specialized government functions (e.g., military and veterans activities, national security and intelligence, federal protective services, medical suitability determinations, correctional institutions and other law enforcement custodial situations); and
- For Workers' Compensation or other similar programs established by law that provide benefits for work-related injuries or illness without regard to fault.

In special situations, the Plan may disclose to one of your family members, to a relative, to a close personal friend or to any other person identified by you, Protected Health Information that is directly relevant to the person's involvement with your care or payment related to your care. In addition, the Plan may use or disclose the Protected Health Information to notify a member of your family, your personal representative, another person responsible for your care, or certain disaster relief agencies of your location, general condition or death. If you are incapacitated, there is an emergency, or you otherwise do not have the opportunity to agree to or object to this use or disclosure, those involved in Plan administration will do what in our judgment is in your best interest regarding such disclosure and will disclose only the information that is directly relevant to the person's involvement with your health care.

Uses and disclosures for which an authorization is required

Your authorization is required for most uses and disclosures of psychotherapy notes, uses and disclosures of Protected Health Information for marketing purposes, and disclosures which constitute a sale of Protected Health Information. We will make any other uses and disclosures not described in this Notice only after you authorize them in writing. You may revoke your authorization in writing at any time, except to the extent that we have already taken action in reliance on the authorization.

Your rights regarding Protected Health Information

 - Disclosures made before April 14, 2003.
- **Request Restrictions:** You have the right to request that we place additional restrictions on our use or disclosure of your Protected Health Information as we carry out payment, treatment or health care operations. You may also ask us to restrict how we use and disclose your Protected Health Information to your family members, relatives, friends or other persons you identify who are involved in your care or payment for your care. We do not have to agree to these additional restrictions, but if we do, we must abide by our agreement (except in emergencies).
 - **Request Confidential Communications:** You may request to receive your Protected Health Information by alternative means or at an alternative location if you reasonably believe that other disclosure could pose a danger to you. For example, you may want to have Protected Health Information sent only by mail or to an address other than your home.
 - **Receive Notice of a Breach:** You have the right to be notified upon a breach of your unsecured Protected Health Information, if a disclosure occurs that meets the definition and thresholds of a breach under the law.

Patriot Act Notice

If you are considering enrollment in the High Deductible Medical Plan (HDP) with Health Savings Account, this Notice applies to you.

Important information about procedures for opening a new account

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.

What this means for you:

The Bank will ask for your name, address, date of birth and other information that will allow the Bank to identify you. The Bank may also ask to see your driver's license or other identifying documents.

Important Health Savings Account Information

You must file IRS Form 8889 with your annual tax return to report contributions to and distributions from your HSA. HSA contributions, investment earnings (if any) and withdrawals (if made for qualified medical expenses) are generally not taxable for federal (and, in most cases, state and local) income tax purposes. However, under certain circumstances, your HSA may be subject to taxes and/or penalties. And, if your HSA contributions for any year exceed the annual limit, you are responsible for contacting your bank to request a refund of the excess.

Be sure to save receipts for all withdrawals from your HSA. You are responsible for verifying eligible medical expenses under the IRS tax code. Some of your responsibilities include:

- Determining your eligibility to contribute to an HSA;
- Keeping receipts to show you used your HSA for qualified medical expenses;
- Tracking contribution limits and withdrawing any excess contributions;
- Making sure funds are transferred to a qualified HSA; and
- Identifying tax implications and reporting distributions to the IRS.

Once your account is open, contact your bank for detailed information about eligible expenses and your responsibilities regarding contributions and record keeping. Also, contact the IRS or consult with a qualified tax advisor for specific advice about your situation. Your employer cannot provide you tax advice.

If you enroll in Medicare or another plan that does not allow you to make HSA contributions, you are no longer eligible to contribute to your HSA; however, you can use the funds already in your HSA for qualified medical expenses (see IRS Publication 969). Consult your tax or financial advisor for specific information that may apply to you.
