

Tools to Help You Manage the Details

Get the most from your health plan. Below are some other helpful resources you should know about. Take advantage of these services to get the most from your benefits.

MANAGING YOUR MEDICAL CLAIMS

Medical claims

Get started by signing into Blue Access for Members (BAM) at bcbstx.com/member. You can understand your benefits and claims, find a doctor, estimate future treatment costs, and much more.

Prefer mobile? The BCBSTX App provides access to these features as well.

Account balances

The account balances page shows current info on your progress toward meeting your deductible and out-of-pocket maximums. If you are enrolled in the HDP and have an HSA, your balance is also shown here.

MANAGING YOUR PRESCRIPTIONS

MYPRIME.COM helps you manage your pharmacy benefits when you're at home or on the go. You can visit the website to:

- **Check** medicine cost and coverage details
- **See** your prescription claims history
- **Find** in-network pharmacies
- **Connect** with the pharmacy delivery services
- **Compare** pricing for drugs and pharmacies
- **Get** any forms you may need
- **Learn** about drug interactions, possible side effects, and more

If you select Rx History Claims and Balances, you can view and print a prescription drug claims history by date range. The information and cost (by date range) is excellent documentation to submit for an FSA reimbursement or to document your HSA spending.

Manage your specialty drug prescriptions with **accredo.com** or the mobile app.
