

Don't wait till it's too late — use your FSA funds

Your flexible spending account (FSA) balance is yours to spend through Dec. 31, 2023. After that, funds in excess of \$610 will be lost — so be sure to use them while you can.

Plan your FSA spending

Your FSA funds may be used for qualified medical costs like copays and deductibles, prescriptions and some over-the-counter medicines, dependent care and more.

Go to **myuhc.com**[®] to check your remaining FSA balance and use it before the end of the year.

Note: If you incur an eligible expense by Dec. 31, 2023, you'll have until April 30, 2024, to submit a claim.
