

Flu shots and vaccines

Flu shots and many other vaccines are available to you at no extra cost. Age-appropriate immunizations are available at many retail pharmacy locations. Always ask the pharmacist to check your plan coverage before the immunization is administered to make sure the immunization is covered.

CVS/Caremark retail pharmacy vaccines

Your pharmacy benefits will cover many vaccines under the 100% preventive benefit when administered at a participating retail pharmacy. While flu shots do not require a prescription, other vaccines may require a prescription. Save even more by using a CVS/Caremark retail pharmacy. You'll find a few of the many CVS/Caremark retail pharmacies on the following page. Contact CVS/Caremark or visit [pebcinfo.com](https://www.pebcinfo.com) for more CVS/Caremark options (UnitedHealthcare ID card with CVS/Caremark information card required).

Convenience care clinics

You can receive your flu shot or pneumonia vaccine at a convenience care clinic. DFW-area locations include MinuteClinic® located at certain CVS Pharmacy locations and Baylor Scott & White Convenient Care Clinics located at certain Tom Thumb stores. If you receive additional services, a copay or out-of-pocket expense may apply.

IMPORTANT: Always check before you receive an immunization at the retail pharmacy to make sure you know how much your immunization will cost. The list of available pharmacies is subject to change.
